SENATOR CULLAN: I move, Mr. Chairman and members of the body, I move that LB 23 be advanced to E & R for enrollment.

PRESIDENT: Discussion. All in favor say aye. Contrary say nay. The bill is advanced.

SENATOR CULLAN: Mr. Chairman and members of the body, I move that the amendments, E & R amendments, to LB 49 be adopted.

PRESIDENT: Discussion. All in favor say aye. Contrary say nay. The amendments are adopted.

CLERK: Mr. President, then we have two more amendments, one offered by Senator Chambers who has not arrived yet. The other offered by Senator Swigart to add the emergency clause.

PRESIDENT: Senator Swigart, do you offer that amendment?

SENATOR SWIGART: Yes, I offer them both. I move that it be approved and the same motion on the other amendment.

PRESIDENT: You will make separate motions.

SENATOR SWIGART: All right.

PRESIDENT: Our first one is on the emergency clause, is that correct, Mr. Clerk?

SENATOR SWIGART: No, the other one was supposed to be first.

PRESIDENT: Which one do you want to move?

SENATOR SWIGART: On the motion pertaining to seventeen and eighteen years of age.

PRESIDENT: All right. That is the motion. Any further discussion? Senator Keyes.

SENATOR KEYES: Yes, I would like to ask Senator Swigart a question. By this amendment, Senator Swigart, then my seventeen year old daughter can go down and she can give blood without my permission if she is not selling it.

SENATOR SWIGART: If she is not selling it, she can come and approach the Red Cross or certain hospitals with that
